Abstract

The **title** of the abstract should be written in **uppercase letters**, using **Times New Roman, 14-point font, bold**, and **centered**. Scientific names (e.g., species names) should be italicized and only the **genus name capitalized**. Author names must be listed in full and centered below the title, using **Times New Roman, 11-point font**. Use a **asterisk (*)** for the corresponding author. If there are multiple affiliations, use superscript numbers (e.g., 1, 2) to denote them. The affiliation(s) should be listed fully below the author names, followed by the corresponding author's email address in *italic*. Please do NOT include any diagrams and chart.

Keywords: 3-5 keywords, abstract, onepage file, should be provided
